

Golf Course Superintendent – The Golf Club at Rio Vista

If you are an engaging leader with solid technical acumen and the ability to drive “green initiatives” for our property, we have the opportunity for you!

Responsibilities

The golf course superintendent manages labor, time, materials and finances in a manner that is compatible with the environment, meets financial goals and serves our customer and client.

CourseCo, Inc is seeking a Golf Course Superintendent for the Golf Club at Rio Vista. The Golf Club at Rio Vista is a year-round, championship 18-hole golf course was designed by veteran and renowned architect Ted Robinson Sr. and has been listed multiple times as a Golf Digest – Best Places to Play course.

As superintendent at The Golf Club at Rio Vista, you will communicate with employees, owners, customers, vendors, suppliers, golf professionals and others in the golf industry. The superintendent also educates community groups about golf course and turfgrass management.

The superintendent embodies the company core value of Environmental Stewardship through conservation, regeneration, restoration and sustainable practices.

A minimum of 3 years of experience as Golf Course Superintendent required with a 2 or 4-year turf degree preferred. Ideal candidate will possess excellent agronomic, people and water management skills. Spanish speaking is preferred.

Duties: Golf course maintenance including clubhouse landscapes and entrance road. Responsible for executing budget and purchasing, equipment maintenance, fertilizer/pesticide application, trees, lake maintenance, Audubon Certification and community outreach programs.

Experience: Poa annua/bentgrass greens in beautiful Sacramento Delta region of Northern California. Written and verbal skills are important. Must have strong relationship building skills, strong hiring, selection and supervision skills. Excellent people skills: you will interface with government agencies, Golf Committees and the community. Your passion for environmental management will assist you in obtaining Audubon Certification.

Compensation/Benefits: \$78,000 to \$88,000 annual salary, shared health Insurance, annual vacation, vehicle/fuel allowance, golfing privileges, GCSAA membership. Expenses for regional and national seminars, local chapter conferences and meetings upon approval. Dues for local chapter membership.

The Superintendent will report directly to the golf course general manager.

The Golf Club at Rio Vista is a CourseCo, Inc managed facility. We are an equal opportunity employer and all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, national origin, disability status, protected veteran status, or any other characteristics protected by law.

Successful applicant will be required to complete a pre-employment screening process and have a valid documentation proving eligibility to work that will be processed using the E-Verify system.

Apply please submit resumes to: George Winters, Director of Agronomy at gwinters@laspositasgolfcourse.com
