

## **Assistant Golf Course Superintendent – Sun Willows Golf Course, Pasco WA**

**Are you looking to advance in your career? Would you like to be an integral part of the leadership team at Sun Willows Golf Course with duties that help support the success of the property and the experience of our guests? Would you thrive in a role where you could use the latest innovations in technology and science in the field of golf course planning and maintenance to help produce high end results? Are you dedicated to the environment and driven to find creative solutions to preserve and protect it? If you are great at developing relationships and managing people to reach their fullest potential and the solid technical acumen and ability to help drive “green initiatives” for our property, we have the opportunity for you!**

**FACILITY INFORMATION:** Sun Willows Golf Course is an 18-hole, par 72 course located in southeastern portion of Washington state. We feature a desert climate with approx. 7” of rain annually. The greens are poa/bent, tees are poa/ryegrass, and fairways & rough bluegrass/ryegrass. The property hosts 40,000 rounds per year.

### **POSITION PROFILE:**

The Assistant Superintendent, under the supervision of the Superintendent, provides additional leadership to the Golf Course Maintenance department. This position is responsible for assisting the Superintendent in the management of the daily activities of the golf course maintenance staff including providing supervision, training and development to the course workers and maintenance staff. Additionally, the Assistant Golf Course Superintendent will aid in keeping all equipment in an efficient, operable, and safe condition and will help to assure that the department and all employees abide by the company safety program guidelines. This position assists the Golf Course Superintendent and the General Manager in the successful growth and operations of Sun Willows Golf Course.

**QUALIFICATIONS:** A 2-4 year degree in Turf or related field or a Turfgrass/Landscape maintenance certificate preferred.

**Experience:** 2 years with supervisory experience a plus. Experience in golf course product application and water management. Experience with Rainbird irrigation system preferred. Spanish speaking a plus. Microsoft office and excel skills also preferred. Must be a self-starter with good troubleshooting skills and have the ability to self-evaluate.

**Special:** Ability to obtain a Washington State Applicators pesticide license within 6 months of employment.

**Schedule:** Early mornings to mid-afternoons Monday-Friday. Some late afternoon hours. Early mornings on weekends. Every other weekend off.

**Job Skills:** Following is a non-inclusive list of desired skillset for this position.

- Ability to coordinate and perform product application
- Water Management
- An understanding of agronomics related to plant health and soil management
- An understanding and commitment to Environmental Management
- Mathematic, budgetary and computers skills
- Ability to perform golf course maintenance operational tasks
- An understanding of golf course equipment operation and repair
- Ability to manage diverse employee population

### **COMPENSATION/BENEFITS:**

Compensation: \$15.00 - \$18.00/hour depending on experience.

Benefits include: Shared health plan, GCSAA dues, vacation, sick leave, and approved education.

### **POSITION AVAILABLE:**

March 1, 2019
