

Golf Course Superintendent – Ken McDonald Golf Course, Tempe, AZ

Ken McDonald Golf Course is seeking a quality focused agronomic professional for the role of Golf Course Superintendent. Qualified candidates will focus on providing best in class course conditions and leadership, mentoring, and coaching the maintenance team.

Ken McDonald Golf Course, an 18-hole par 72 course, offers excellent tees, fairways and greens conditions along with well-placed hazards that provides a fun and challenging golf experience for golfers of all skill levels. This beloved Tempe, AZ course will be under new management by CourseCo, Inc. in July 2023.

CourseCo is a leading golf management company with 34 years of experience in golf operations, agronomy, food and beverage services, marketing, community relations, and construction. Their portfolio includes 44 golf courses in eight states. CourseCo has been named a Top 100 company in the golf industry multiple times. The company continues to expand creating significant opportunities for its employees to grow their personal careers and be a part of a rising organization.

The Role

- Works in partnership with General Manager to prepare and maintain the annual golf course maintenance budget
- Directs the maintenance and construction projects of the golf course
- Supervises all turfgrass management, planting, and cultivation
- Assures equipment is maintained
- Works within budget restrictions to manage supplies and materials
- Keeps accurate records
- Works with vendors to manage costs and achieve budget goals.
- Careful attention to administrative tasks
- Ensures all company policies and procedures are followed including compliance with government regulations and organizational standards
- Manages training for all staff
- Assures required licenses are maintained
- Serves as the leader for Environmental Stewardship at the course
- Manages use and application of hazardous materials within state/county regulations and manufacturers instruction
- Provides direct leadership to the golf course maintenance team
- Onboards and trains each new team member
- Operates with strict adherence to our company safety program and OSHA regulations

Qualifications and Experience

- Two-year college degree or equivalent from two-year college or technical school is preferred; with two to five years related experience or equivalent combination of education and experience in the field
- Must have a valid driver's license

Other Qualifications

- Current pesticide license preferred
- Working knowledge of Microsoft Office applications

Annual Salary

\$100,000 - \$110,000 D.O.E

Benefits

Shared health insurance, annual vacation, golfing privileges, GCSAA membership. Educational Expense Assistance. Dues for local chapter membership.

Ken McDonald Golf Course is committed to equal employment opportunities for all. We will not discriminate against employees or applicants for employment on any legally recognized basis, (protected class), including but not limited to race, color, religion, genetic information, national origin, sex, pregnancy, childbirth, medical conditions, age, disability, citizenship status, uniform service member status, or any other protected class under federal, state and/or local law.

Superintendent will report directly to the golf course General Manager. Successful applicant will be required to pass a pre-employment screening process.
